Our system allows you to enter all the relevant information about an entrant and print a beautiful custom branded dash card.

We utilize a quick lookup system that reduces data entry and shortens the entrant's wait time. If the entrant has registered with us before, a phone number will auto-fill all their information.

## JUDGING AND AWARDS

### Digital Judging

PREMIUM

Use your smart phone to enter the judging scores for each entry.

No more carrying around a stack of papers to blow away in the wind, pens to run out of ink or pencils to break the tip on.

### Instantaneous Scoring

PREMIUM

When digital judging is used, all scores are submitted to our database and instantly totaled and sorted.

No more feverishly adding up score cards and sorting them to determine awards, our system instantaneously knows the score rank of each entrant.
